United States District Court
Southern District of Ohio
JUROR QUALIFICATION QUESTIONNAIRE

A RESPONSE IS REQUIRED BY FEDERAL LAW

Serving on a jury is both an honor and a responsibility of American citizenship. This notice is to obtain information which will determine your eligibility to serve on a federal jury at a later date. You have been randomly selected, from a list of registered voters, licensed drivers, and state ID holders, to complete a questionnaire for potential jury service in the U.S. District Court. **This is not a summons for jury duty, and you are not currently being called to report.**

Please complete the questionnaire online within ten (10) days of receipt of this postcard by going to www.tinyurl.com/ohsd-jury or by scanning the QR code located on the front of this postcard. You will need your nine (9) digit participant number, located above your name. You may request a paper qualification questionnaire be mailed to you by calling the Automated Information Line at 833-396-3498. If it is determined that you are qualified for jury service, you may be summoned for jury selection at any point during the next two years. If summoned, you will receive a separate mailing titled Summons for Jury Service.

If you have questions, please go to www.ohsd.uscourts.gov or call the Automated Information Line at 833-396-3498. Note: Requests to be excused from jury service cannot be processed at this time.
