2.4 United States Magistrates

under Rule 5.1, Federal Rules of Criminal Procedure, before a full-time magistrate located at the place where the case is to be tried.

2.4.3 Assignment of Duties to Magistrates

Individual judges at each location of court may in their discretion request magistrates to perform such duties as are not inconsistent with the Constitution and laws of the United States. (See Appendix to these Rules).

2.7.2 Disclosure of Information by Court Personnel

No employee of this Court may disclose any information

relating to a pending proceeding before this Court, which information is not part of the public records of this Court. This rule specifically prohibits the disclosure of information concerning grand jury proceedings, *in camera* proceedings and proceedings held in chambers.

2.7.3 Orders in Special Cases

This Court may in appropriate cases issue special orders governing any conduct likely to interfere with the rights of the parties to a fair trial.

III. CIVIL ACTIONS

3.0 Trial Attorney

3.0.1 Designation And Responsibility

Unless otherwise ordered, in all actions filed in, transferred to or removed to this Court, all parties not appearing *in propria persona* shall be represented of record by a “trial attorney” who is a member of the bar of this Court and who maintains an office for the practice of law within this district. Unless such designation is changed pursuant to Section 3.0.5 of this rule, the trial attorney shall attend all hearings, conferences, and the trial itself unless otherwise excused.

3.0.2 Signing of Pleadings And Motions

All pleadings and motions filed on behalf of a party represented by counsel shall be signed by one attorney in his or her individual name as the trial attorney referred to in Section 3.0.1 of this rule, followed by the designation “Trial Attorney” together with his or her typed name, office address, zip code, and telephone number and area code. Firm names and the names of co-counsel may appear on the pleadings and motions for information as “of counsel”.

3.0.3 Service

All notices and communications from the Court and all documents required to be served on other parties by these rules and by the Federal Rules of Civil Procedure, shall be served on the trial attorney. (Also see Rule 3.4.4 – Proof of Service). The trial attorney shall be responsible for notifying co-counsel or associate counsel of all matters affecting the action.

3.0.4 Participation by Co-Counsel

Any member in good standing of the bar of any United States District Court or the highest court of any state, who is not otherwise eligible to become a member of the bar of this Court, may be permitted to appear and participate as co-counsel or associate counsel, upon motion of the trial attorney for any party. Such permission may be withdrawn at any time. Such motion is not required for the purpose of having participating counsel's name appear on the pleadings as permitted by Section 3.0.2 of this rule.

3.0.5 Withdrawal of Trial Attorney

The substitution or withdrawal of a trial attorney shall be permitted only: (1) Upon filing with the Court and service on all other parties of a notice of a substitution of trial attorney signed by the withdrawing trial attorney, the client and a substitute trial attorney, or (2) upon written application for substitution or withdrawal served upon the client and showing of good cause and upon such terms as the Court shall impose. Unless otherwise ordered, a trial attorney shall not be permitted to withdraw from an action at any time later than twenty (20) days in advance of trial or the setting of a hearing on any motion for judgment or dismissal and, unless otherwise ordered, the substitution of a trial attorney shall not serve as the basis for a postponement of the trial or any hearing.

3.1 Commencement of Action

3.1.1 Deposits

Upon the commencement in this Court of any action, whether by original process, removal or otherwise, except when not required by law, deposits for costs shall be paid to the Clerk and the Marshal as follows: To the Clerk, the fees provided by 28 U.S.C. Section 1914; and to the Marshal, a deposit, in a sum deemed sufficient to cover the fees for the service to be performed by the Marshal.

The Clerk or the Marshal may require that any check tendered for any payment be certified before acceptance.

3.1.3 Registry Funds

Funds deposited in the Registry of the Court shall be held in the following manner:

a. In the absence of any order to the contrary, in a checking account maintained by the Clerk in an approved depository.

b. Upon request of an interested party and upon approval of a judge of this Court, specific funds shall be deposited by the Clerk in an interest-bearing account or in obligations of the United States with the interest to be accumulated for the benefit of the ultimate owners of the funds as determined by order of the Court.

c. In lieu of depositing funds in the Registry of the Court, an interested party may apply to the Court for appointment of escrow agents. With Court approval, such agents may deposit funds in a financial institution in an interest bearing account and provide for the disposition of interest earned on such funds.

3.2 Preparation of Process

Any attorney requesting the issuance of any process or who initiates any proceeding in which the issuance of process is required, shall prepare all required forms, including the following:

1. Summons;
2. Warrants of seizure and monition;
3. Subpoenas to witnesses;
4. Certificates of judgment;
5. Writs of execution;
6. Orders of sale;
7. All process in garnishment or other aids in execution;
8. Civil cover sheet; and

present the required forms, together with the requisite written request for issuance (or *praecipe*) at the office of the Clerk for signature and sealing. The Clerk shall, upon request and subject to current availability, provide reasonable supplies of all blank official forms of process to any attorney admitted to practice in this Court.

3.3 Bond Requirements

3.3.1 Bond Requirements in General

In all civil actions and criminal proceedings, the Clerk shall accept as surety upon bonds and other undertakings a surety company approved by the Treasury Department, cash or an individual personal surety residing within this district. Unless otherwise ordered by the Court, any personal surety must qualify as the owner of real estate within this district of the full net value of the face amount of the bond. Attorneys or other officers of this Court shall not serve as sureties.

3.3.2 Bond on Removal from State Court

The bond accompanying a petition for removal of an action brought in a state court to this Court shall be Two Hundred Fifty Dollars (\$250.00), with good and sufficient surety to the satisfaction of the Clerk.

3.4 Pleadings And Other Papers Filed with The Court

3.4.1 Form

Pleadings and other papers shall be typewritten or printed on 8½ x 13 or 14 inch bond paper. They shall be offered for filing without folding or backing, suitable for a flat filing system. Original documents attached or offered as exhibits are exempt from the requirement, provided that all exhibits shall be neatly bound; and if they are not attached to the pleadings and other papers, they shall be identified by the caption of the case, the case number and identification as provided in rule 3.4.2.

3.4.2 Identification

Except for the original complaint, all pleadings, other papers and exhibits shall be identified by a title which shall contain the name and party designation of the person filing it and the nature of the pleading or paper; for example: "Defendant John Smith's Answer to The Amended Complaint"; "Plaintiff Richard Roe's Answer to Defendant Sam Brown's Motion to Dismiss" or "Exhibits in Support of Plaintiff John Smith's Motion for Summary Judgment." The name of the judge to whom the case is assigned shall be placed below the title. On all papers requiring the signature of the Court, such signature shall be identified as follows:

United States District Judge

3.4.3 Statutory Three Judge Actions

In statutory three judge actions, an original and three (3) copies of each pleading shall be filed with the Clerk.

3.4.4 Proof of Service

Proof of service of all pleadings and other papers required or permitted to be served, other than those for which a method or proof of service is described in the Federal Rules of Civil Procedure (and except in the case of an *ex parte* proceeding), may be by written acknowledgment of service, by affidavit of the person making the service or by written representation of counsel. Such proof of service shall state the date and manner of service and also shall be fully stated on or attached to the copy of the pleading or other papers served on any party or served as required by rule 3.0.3.

3.4.5 Answers to Interrogatories And Requests for Admissions

Answers to interrogatories and requests for admissions in each instance shall be preceded by the text of the interrogatory or the request.

3.4.6 Withdrawal from Files

Originals of papers or pleadings filed with this Court shall not be withdrawn from the files, except upon order of the Court.

3.5 Extensions of Time to Move or Plead

Each party to an action may obtain stipulated extensions of time not to exceed a total of twenty (20) days in which to file a motion or any responsive pleading. This may be done by filing with the Clerk a written stipulation between the parties for such extensions, provided however that the aggregate time extended to any party for all extensions by stipulation during the action shall not exceed a total of twenty

(20) days. A stipulation filed with the Clerk shall affirmatively state that no prior stipulated extensions to that party, together with the stipulated extension then filed, exceed a total of twenty (20) days. Neither the stipulation nor any entry to that effect need be submitted to the Court for such extensions. If no such stipulation is obtained, or if additional extensions beyond the stipulated periods are requested, the party desiring an extension must obtain the approval of the Court.

3.6 Class Actions

3.6.1 Designation

A complaint or other pleading asserting a class action shall prominently state as part of its title the designation "Class Action."

3.6.2 Class Action Allegations

A complaint or other pleading asserting a class action shall contain sufficient allegations to identify the class and the claim as a class action, including but not necessarily limited to:

- (a) The appropriate size and definition of the alleged class;
- (b) The basis upon which the party or parties maintaining the class action or other parties claimed to be representing the class are alleged to be adequate representatives of the class;
- (c) The alleged questions of law and fact claimed to be common to the class; and
- (d) In actions claimed to be maintainable as class actions under subdivision (b)(3) of Rule 23 of the Federal Rules of Civil Procedure, allegations intended to support the findings required in that subdivision.

3.6.3 Motion for Determination as Class Action

Unless the Court otherwise orders, the party asserting a class action shall, within one hundred twenty (120) days after filing of a pleading asserting the existence of a class, move for a determination under Rule 23(c)(1) of the Federal Rules of Civil Procedure as to whether the action is maintainable as a class action and, if so, the membership of the class. If no such motion is filed, the Court may enter an order that the action is not maintainable as a class action. Nothing in this rule shall preclude a motion by any party at any time to strike the class action allegations or to dismiss the complaint.

3.6.4 Prevention of Potential Abuses of Class Actions

[Reserved]

4.0 Motions And Applications

4.0.1 Supporting Memorandum And Certificate of Service

All motions tendered for filing shall be accompanied by a memorandum in support of the motion, which shall be a brief statement of the grounds for the motion with citation of authorities relied upon, and, except in the case of an *ex parte* motion, a certificate of service, in accordance with rule 3.4.4.

4.0.2 Opposing And Reply Memoranda

Any memorandum *contra* a motion shall be filed within twenty (20) days from the date of service as set forth on the certificate of service attached to the served copy of a motion. Failure to file a memorandum *contra* may be cause for the Court to grant the motion as filed. A reply memorandum may be filed within seven (7) days after the date of service shown on the certificate of service attached to the served copy of the memorandum *contra*. These periods may be extended as provided by Rule 3.5. No additional memor-

anda beyond those enumerated above will be permitted, except upon leave of Court for good cause shown.

4.0.3 Limitation upon Briefs And Memoranda

Briefs and memoranda in support of or in opposition to any motion or application to the Court should not exceed fifteen (15) pages.

In all cases in which briefs or memoranda exceed fifteen (15) pages, counsel shall include an introduction which contains a summary of all points raised and authorities relied upon in the brief or memorandum. No such summary may exceed fifteen (15) pages.

Briefs and memoranda shall be prepared in accordance with rule 3.4.1 and shall be double-spaced with appropriate left and right margins.

4.0.4 Procedure for Deciding Motions

All motions shall be submitted without oral argument on the memoranda filed with the Clerk, unless otherwise provided in these rules or ordered by the Court.

On any motion for summary judgment, a party will be deemed to have waived a hearing on the motion unless a request for hearing is filed within ten (10) days of the time of filing or the expiration of time for filing a memorandum in opposition to the motion. In any case, in which a hearing has been requested, a hearing may be held within sixty (60) days of the filing or expiration of the time for filing a memorandum in opposition to the motion.

Upon the filing of any other motion which requires a noticed hearing under the Federal Rules of Civil Procedure or any provision of law, the movant shall upon filing said motion, obtain a date for such hearing and promptly notify the other parties in writing of the date and time of the hearing and file proof of service of the notice with the Clerk prior to the hearing.

The Court may, for good cause shown, provide for an early hearing on any motion with or without filing of memoranda by the parties.

4.1 References And Citations

4.1.1 Statutes And Regulations

All pleadings, briefs and memoranda containing references to statutes or regulations shall specifically cite the applicable statutes or regulations or attach copies. United States Statutes will be cited by the United States Code Title and Section Number, e.g., 1 U.S.C. Section 1. Citations such as "Section so and so of The Act" are discouraged, even cumulatively.

4.1.2 Preferential Authorities

In citing authorities, the Court prefers that counsel rely upon cases decided by the Supreme Court of the United States, the United States Court of Appeals for the Sixth Circuit and the Supreme Court of Ohio.

4.1.3 Unreported Opinions

If unreported opinions are cited, copies of the opinions shall be attached to the briefs or memoranda and shall be furnished to opposing counsel. Failure to do so may be grounds for striking the pleading.

4.6 Depositions

4.6.1 Fees and Costs

The fees of officers taking and certifying depositions shall be paid by the party on whose behalf such depositions are taken. Upon the filing and allowance of a verified bill of costs as provided in 28 U.S.C. Sections 1920 *et seq.*, such costs may be taxed in favor of the prevailing party and shall then become part of the judgment in the action.

4.6.2 Opening of Depositions

When a deposition has been filed in any action, except in actions for which the law prescribes a different procedure, it shall be opened only by the Clerk at the direction of the Court or at the direction of any counsel of record. The fact and date of opening and the name of the person making such request shall be endorsed by the Clerk on the envelope containing the deposition, which envelope shall be preserved with the deposition.

4.6.3 Withdrawal of Depositions

Depositions on file shall not be withdrawn during the pendency of the action without leave of Court. After final termination of the action, at the instance of counsel for the party on whose behalf the depositions were filed, they shall be withdrawn or otherwise disposed of as provided in rule 5.6.

4.6.4 Depositions Taken out of The Southern District of Ohio

Any motion under Rule 30(d) of the Federal Rules of Civil Procedure and any proceeding under Rule 30(b) of the Federal Rules of Civil Procedure initiated or arising during the process of taking depositions out of the Southern District of Ohio will be initiated or filed in this district and disposed of by the judge to whom the action is assigned. This rule applies to proceedings initiated by a party to the action involved and does not apply to such proceedings initiated by a deponent (not a party or officer or employee of a party or member of a partnership party). While it is recognized that Rule 30 of the Federal Rules of Civil Procedure extends the option to apply to the district court in the district where the deposition is being taken and that option may not be denied by this rule, application in such other districts generally tends to unduly increase the business of such other districts and tends to result in delaying the dispatch of its calendar by

this Court. Proceedings initiated in other districts in violation of this rule may be subject to 28 U.S.C. Section 1927.

4.7 Discovery

4.7.1 Objections And Motions Related to Discovery Procedures

Interrogatories, requests for production of documents, requests for admissions and responses to such discovery shall not be filed with the Court except in those cases where informal attempts at discovery are ineffective and it becomes necessary to file a motion to compel discovery under the provisions of Rule 37, Federal Rules of Civil Procedure or Rule 4.7.4.

4.7.2 Time for Objection or Response

Unless otherwise agreed between the parties, all responses and objections to discovery requests shall be made within the times set forth for response or objection to discovery requests in the Federal Rules of Civil Procedure. Any failure to agree between the parties shall be subject to the provisions of Rule 4.7.4.

4.7.3 Consultation among Counsel

No objections, motions, applications or requests related to discovery shall be filed under the provisions of Rules 26 and 37 of the Federal Rules of Civil Procedure in this Court unless counsel have exhausted among themselves all extrajudicial means for the resolution of differences.

4.7.4 Motions in Respect to Discovery

To the extent that extrajudicial means of resolution of differences have not disposed of the matter, the parties seeking discovery or a protective order may then proceed with the filing of a motion for a protective order or a motion to com-

pel discovery pursuant to Rule 26(c) or Rule 37(a), of the Federal Rules of Civil Procedure. Such motion shall be accompanied by a supporting memorandum and by an affidavit of counsel setting forth what extrajudicial means have been attempted to resolve differences and a copy of the interrogatories and requests which previously have been served pursuant to the appropriate rule of the Federal Rules of Civil Procedure.

Opposition to any motion filed pursuant to this rule 4.7.4 shall be filed within the time specified by the Federal Rules of Civil Procedure, or if no time is specified, within the time specified by rule 4.0.2. The time for filing a reply memorandum is likewise governed by rule 4.0.2. In all other respects, a motion to compel discovery or for a protective order shall be treated as any other motion under these rules.

5.0 Pretrial Procedures

Each judge of the district shall be responsible for determining the procedure and content of pretrial conferences under Rule 16 of the Federal Rules of Civil Procedure.

Any general or standing order of any judge or for any location of court which governs pretrial procedures and the content of pretrial conferences shall be transmitted by the Clerk, to all parties to an action, together with any notice of a pretrial conference. In addition, copies of all such general or standing orders shall be made available, upon request and without charge, by the Clerk at each location of court to any trial attorney to any proceeding pending before the Court.

5.1 Civil Jury Trials

Unless otherwise ordered, a jury for the trial of civil actions shall consist of six (6) persons, plus such alternate jurors as may be impaneled.

5.3 Trial Procedures And Witnesses

5.3.1 Attorney Testifying as Witness

If any attorney anticipates that he or she or a member of the attorney's firm may be required to testify as a witness under circumstances which would not require disqualification as counsel under applicable rules of the Code of Professional Responsibility, such attorney shall immediately notify the Court and opposing counsel in writing and set forth: (1) The issues on which the attorney or a member of the attorney's firm may be required to testify, and (2) a general plan for handling the testimony.

5.3.2 Examination of Witnesses

At the trial or hearing of an issue of fact, only one attorney for each party shall examine or cross-examine any witness, unless otherwise permitted by the Court.

5.3.3 Witness Fees

The fees and mileage of witnesses shall be paid by the party on whose behalf the witness is subpoenaed. Upon the filing and allowance of a verified bill of costs as provided in 28 U.S.C. Sections 1920, *et seq.*, such costs may be taxed in favor of the prevailing party and shall then become part of the judgment in the action.

5.4 Dismissals for Want of Prosecution

Actions which have been on the docket for one year without any proceedings taken in the action, except actions awaiting trial assignment or decision on pending motions, shall be dismissed as a matter of course, without prejudice and for want of prosecution, unless good cause be shown to the contrary. Prior to dismissal, all parties shall be notified by the Clerk and shall have ten (10) days following receipt of notice within which good cause may be shown to the contrary.

5.5 Questioning Petit Jurors

No attorney connected with the trial of an action shall him-

self, or through any investigator or other person acting for him, interview, examine or question any juror with respect to the verdict or deliberations of the jury in the action except with leave of Court granted upon good cause shown.

5.6 Disposition of Exhibits, Models, Diagrams, Depositions, And Other Materials

5.6.1 Withdrawal by Counsel

All models, diagrams, depositions, photographs, x-rays and other exhibits and materials filed in an action or offered in evidence shall not be considered part of the pleadings in the action and, unless otherwise ordered by the Court, shall be withdrawn by counsel without further order within six (6) months after final termination of the action.

5.6.2 Disposal by The Clerk

All models, diagrams, depositions, photographs, x-rays and other exhibits and materials not withdrawn by counsel shall be disposed of by the Clerk as waste at the expiration of the withdrawal period.

IV. CRIMINAL ACTIONS

6.0 Application of Rules to Criminal Actions

6.0.1 General Application

Parts I through III of these rules shall apply to criminal actions unless such rules: (1) Are made inapplicable by rule 6.0.2; (2) are applicable, by their terms, to civil actions only; (3) clearly are not applicable to criminal actions by their nature or by reason of any provision of the Federal Rules of Criminal Procedure or any other controlling statute or regulation of the United States; or (4) are made inapplicable by order of the Court or a judge of the Court.

6.0.2 Civil Rules Not Applicable

The following rules shall not be applicable to criminal actions unless otherwise ordered: 2.1, 3.6, 4.6, 4.7, 5.0, 5.1 and 5.4.

6.1 Publicity And Disclosures

6.1.1 No attorney may publically release any information or opinion which might interfere with a fair trial or otherwise prejudice the due administration of justice.

6.1.2 No attorney participating in or associated with a grand jury or the investigation of any criminal matter may make any public extrajudicial statement that goes beyond the public record or that is not necessary to obtain assistance in the apprehension of a suspect, to warn the public of any dangers or otherwise to aid in the investigation.

6.1.3 No attorney prior to the commencement of trial or disposition without trial may make any public statement concerning:

(a) The prior criminal record (including arrests, indictments, or other charges of crime), or the character or reputation of the accused, except that the lawyer or law firm may make a factual statement of the accused's name, age, residence, occupation, and family status and, if the accused has not been apprehended, an attorney associated with the prosecution may release any information necessary to aid in the accused's apprehension or to warn the public of any dangers the accused may present;

(b) Any statement or lack thereof by the accused;

(c) The performance or lack thereof of any examinations or tests upon the accused;

(d) The identity, testimony, or credibility of prospective witnesses, except that the attorney or law firm may announce

the identity of the victim if the announcement is not otherwise prohibited by law;

(e) The possibility of a plea of guilty to the offense charged or a lesser offense;

(f) Any opinion as to the accused's guilt or innocence or as to the merits of the case or the evidence in the case.

6.1.4 During a jury trial of any criminal matter, no attorney may publicly give any extrajudicial statement that may interfere with a fair trial. An attorney may quote from or refer without comment to public records of the Court in the case.

6.1.5 Nothing in this rule shall preclude the lawful issuance of reports by investigative bodies, or preclude any attorney from replying to charges of professional misconduct that are publicly made against the attorney.

6.2 Forfeiture of Collateral in Lieu of Appearance

6.2.1 Persons charged in this district with a petty offense, for which a fixed sum payment is established pursuant to this rule, may elect to post, in person or by mail, with the Clerk of this Court at the Central Collections Bureau at Dayton, Ohio, collateral in the amount specified for such offense and, upon waiver of the right to a hearing on the charge made, consent to the forfeiture of such collateral in lieu of appearance before the United States Magistrate and all further proceedings. Any person so charged who does not elect this procedure shall be required to appear before the United States Magistrate as prescribed by law, and upon conviction shall be subject to any penalty otherwise provided.

6.2.2 Nothing contained in this rule shall be interpreted to prohibit or restrict otherwise existing authorities of any law enforcement officer in proper circumstances to place persons under arrest. Further, where the law enforcement officer involved considers the circumstances of the offense to be ag-

gravated, the officer may specify that appearance before the United States Magistrate is required, in which case the collateral forfeiture procedure in this rule shall not be available.

6.2.3 The schedules of fixed sum payments which may be deposited as collateral and forfeited in lieu of appearance shall be those established by general orders as may be issued from time to time by this Court. The schedules shall be posted by the Clerk in the offices of the Clerk at Columbus, Dayton and Cincinnati. Such general orders may be issued by the Chief Judge of this Court on behalf of the Court pending further general orders of the full Court.

**MODEL FEDERAL RULES
OF DISCIPLINARY ENFORCEMENT**

The United States District Court for the Southern District of Ohio, in furtherance of its inherent power and responsibility to supervise the conduct of attorneys who are admitted to practice before it, or admitted for the purpose of a particular proceeding (*pro hac vice*), promulgates the following Rules of Disciplinary Enforcement superceding all of its other Rules pertaining to disciplinary enforcement heretofore promulgated.

Rule I

Attorneys Convicted of Crimes.

A. Upon the filing with this Court of a certified copy of a judgment of conviction demonstrating that any attorney admitted to practice before the Court has been convicted in any Court of the United States, or the District of Columbia, or of any state, territory, commonwealth or possession of the United States of a serious crime as hereinafter defined, the Court shall enter an order immediately suspending that attorney, whether the conviction resulted from a plea of guilty, or *nolo contendere* or from a verdict after trial or otherwise, and regardless of the pendency of any appeal, until final disposition of a disciplinary proceeding to be commenced upon such conviction. A copy of such order shall immediately be served upon the attorney. Upon good cause shown, the Court may set aside such order when it appears in the interest of justice to do so.

B. The term "serious crime" shall include any felony and any lesser crime a necessary element of which, as determined by the statutory or common law definition of such crime in the jurisdiction where the judgment was entered, involves false swearing, misrepresentation, fraud, willful failure to file income tax returns, deceit, bribery, extortion, misappropriation, theft, or an attempt or a conspiracy or solicitation of another to commit a "serious crime."

C. A certified copy of a judgment of conviction of an attorney for any crime shall be conclusive evidence of the

commission of that crime in any disciplinary proceeding instituted against that attorney based upon the conviction.

D. Upon the filing of a certified copy of a judgment of conviction of an attorney for a serious crime, the Court shall in addition to suspending that attorney in accordance with the provisions of this Rule, also refer the matter to counsel for the institution of a disciplinary proceeding before the Court in which the sole issue to be determined shall be the extent of the final discipline to be imposed as a result of the conduct resulting in the conviction, provided that a disciplinary proceeding so instituted will not be brought to final hearing until all appeals from the conviction are concluded.

E. Upon the filing of a certified copy of a judgment of conviction of an attorney for a crime not constituting a "serious crime," the Court may refer the matter to counsel for whatever action counsel may deem warranted, including the institution of a disciplinary proceeding before the Court; provided, however, that the Court may in its discretion make no reference with respect to convictions for minor offenses.

F. An attorney suspended under the provisions of this Rule will be reinstated immediately upon the filing of a certificate demonstrating that the underlying conviction of a serious crime has been reversed but the reinstatement will not terminate any disciplinary proceeding then pending against the attorney, the disposition of which shall be determined by the Court on the basis of all available evidence pertaining to both guilt and the extent of discipline to be imposed.

Rule II

Discipline Imposed By Other Courts.

A. Any attorney admitted to practice before this Court shall, upon being subjected to public discipline by any other Court of the United States or the District of Columbia, or by a court of any state, territory, commonwealth or possession of the United States, promptly inform the Clerk of this Court of such action.

B. Upon the filing of a certified or exemplified copy of

a judgment or order demonstrating that an attorney admitted to practice before this Court has been disciplined by another Court, this Court shall forthwith issue a notice directed to the attorney containing:

1. a copy of the judgment or order from the other court; and
2. an order to show cause directing that the attorney inform this Court within 30 days after service of that order upon the attorney, personally or by mail, of any claim by the attorney predicated upon the grounds set forth in (D) hereof that the imposition of the identical discipline by the Court would be unwarranted and the reasons therefor.

C. In the event the discipline imposed in the other jurisdiction has been stayed there, any reciprocal discipline imposed in this Court shall be deferred until such stay expires.

D. Upon the expiration of 30 days from service of the notice issued pursuant to the provisions of (B) above, this Court shall impose the identical discipline unless the respondent-attorney demonstrates, or this Court finds, that upon the face of the record upon which the discipline in another jurisdiction is predicated it clearly appears:

1. that the procedure was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process; or
2. that there was such an infirmity of proof establishing the misconduct as to give rise to the clear conviction that this Court could not, consistent with its duty, accept as final the conclusion on that subject; or
3. that the imposition of the same discipline by this Court would result in grave injustice; or
4. that the misconduct established is deemed by this Court to warrant substantially different discipline.

Where this Court determines that any of said elements exist, it shall enter such other order as it deems appropriate.

E. In all other respects, a final adjudication in another court that an attorney has been guilty of misconduct shall establish conclusively the misconduct for purposes of a disciplinary proceeding in the Court of the United States.

F. This Court may at any stage appoint counsel to prosecute the disciplinary proceedings.

Rule III

Disbarment on Consent or Resignation in Other Courts.

A. Any attorney admitted to practice before this Court who shall be disbarred on consent or resign from the bar of any other Court of the United States or the District of Columbia, or from the Bar of any state, territory, commonwealth or possession of the United States while an investigation into allegations of misconduct is pending, shall, upon the filing with this Court of a certified or exemplified copy of the judgment or order accepting such disbarment on consent or resignation, cease to be permitted to practice before this Court and be stricken from the roll of attorneys admitted to practice before this Court.

B. Any attorney admitted to practice before this Court shall, upon being disbarred on consent or resigning from the bar of any other Court of the United States or the District of Columbia, or from the Bar of any state, territory, commonwealth or possession of the United States while an investigation into allegations of misconduct is pending, promptly inform the Clerk of this Court of such disbarment on consent or resignation.

Rule IV

Standards for Professional Conduct.

A. For misconduct defined in these Rules, and for good cause shown, and after notice and opportunity to be heard, any attorney admitted to practice before this Court may be disbarred, suspended from practice before this Court, reprimanded or subjected to such other disciplinary action as the circumstances may warrant.

B. Acts or omissions by an attorney admitted to practice

before this Court, individually or in concert with any other person or persons, which violate the Code of Professional Responsibility adopted by this Court shall constitute misconduct and shall be grounds for discipline, whether or not the act or omission occurred in the course of an attorney-client relationship. The Code of Professional Responsibility adopted by this Court is the Code of Professional Responsibility adopted by the highest court of the state in which this Court sits, as amended from time to time by that state court, except as otherwise provided by specific Rule of this Court after consideration of comments by representatives of bar associations within the state.

Rule V

Disciplinary Proceedings.

A. When misconduct or allegations of misconduct which, if substantiated, would warrant discipline on the part of an attorney admitted to practice before this Court shall come to the attention of a Judge of this Court, whether by complaint or otherwise, and the applicable procedure is not otherwise mandated by these Rules, the Judge shall refer the matter to counsel for investigation and the prosecution of a formal disciplinary proceeding or the formulation of such other recommendation as may be appropriate.

B. Should counsel conclude after investigation and review that a formal disciplinary proceeding should not be initiated against the respondent-attorney because sufficient evidence is not present, or because there is pending another proceeding against the respondent-attorney, the disposition of which in the judgment of the counsel should be awaited before further action by this Court is considered or for any other valid reason, counsel shall file with the court a recommendation for disposition of the matter, whether by dismissal, admonition, deferral, or otherwise setting forth the reasons therefor.

C. To initiate formal disciplinary proceedings, counsel shall obtain an order of this Court upon a showing of probable cause requiring the respondent-attorney to show cause within

30 days after service of that order upon that attorney, personally or by mail, why the attorney should not be disciplined.

D. Upon the respondent-attorney's answer to the order to show cause, if any issue of fact is raised or the respondent attorney wishes to be heard in mitigation this Court shall set the matter for prompt hearing before one or more Judges of this Court, provided however that if the disciplinary proceeding is predicated upon the complaint of a Judge of this Court the hearing shall be conducted before a panel of three other Judges of this Court appointed by the Chief Judge, or, if there are less than three Judges eligible to serve or the Chief Judge is the complainant, by the Chief Judge of the Court of Appeals for this Circuit.

Rule VI

Disbarment on Consent While Under Disciplinary Investigation or Prosecution.

A. Any attorney admitted to practice before this Court who is the subject of an investigation into, or a pending proceeding, involving, allegations of misconduct may consent to disbarment, but only by delivering to this Court an affidavit stating that the attorney desires to consent to disbarment and that:

1. the attorney's consent is freely and voluntarily rendered; the attorney is not being subjected to coercion or duress; the attorney is fully aware of the implications of so consenting;
2. the attorney is aware that there is a presently pending investigation or proceeding involving allegations that there exist grounds for the attorney's discipline the nature of which the attorney shall specifically set forth;
3. the attorney acknowledges that the material facts so alleged are true; and
4. the attorney so consents because the attorney knows that if charges were predicated upon the matters under investigation, or if the proceeding were prosecuted, the attorney could not successfully defend himself.

B. Upon receipt of the required affidavit, this Court shall enter an order disbarring the attorney.

C. The order disbarring the attorney on consent shall be a matter of public record. However, the affidavit required under the provisions of this Rule shall not be publicly disclosed or made available for use in any other proceeding except upon order of this Court.

Rule VII

Reinstatement.

A. **After Disbarment or Suspension.** An attorney suspended for three months or less shall be automatically reinstated at the end of the period of suspension upon the filing with the court of an affidavit of compliance with the provisions of the order. An attorney suspended for more than three months or disbarred may not resume practice until reinstated by order of this Court.

B. **Time of Application Following Disbarment.** A person who has been disbarred after hearing or by consent may not apply for reinstatement until the expiration of at least five years from the effective date of the disbarment.

C. **Hearing on Application.** Petitions for reinstatement by a disbarred or suspended attorney under this Rule shall be filed with the Chief Judge of this Court. Upon receipt of the petition, the Chief Judge shall promptly refer the petition to counsel and shall assign the matter for prompt hearing before one or more Judges of this Court, provided however that if the disciplinary proceeding was predicated upon the complaint of a Judge of this Court the hearing shall be conducted before a panel of three other Judges of this Court appointed by the Chief Judge, or, if there are less than three Judges eligible to serve or the Chief Judge was the complainant, by the Chief Judge of the Court of Appeals for this Circuit. The Judge or Judges assigned to the matter shall within 30 days after referral schedule a hearing at which the petitioner shall have the burden of demonstrating by clear and convincing evidence that he has the moral qualifications, competency and learning in the law required for admission to practice law before this

Court and that his resumption of the practice of law will not be detrimental to the integrity and standing of the bar or to the administration of justice, or subversive of the public interest.

D. Duty of Counsel. In all proceedings upon a petition for reinstatement, cross-examination of the witnesses of the respondent-attorney and the submission of evidence, if any, in opposition to the petition shall be conducted by counsel.

E. Deposit for Costs of Proceeding. Petitions for reinstatement under this Rule shall be accompanied by an advance cost deposit in an amount to be set from time to time by the Court to cover anticipated costs of the reinstatement proceeding.

F. Conditions of Reinstatement. If the petitioner is found unfit to resume the practice of law, the petition shall be dismissed. If the petitioner is found fit to resume the practice of law, the judgment shall reinstate him, provided that the judgment may make reinstatement conditional upon the payment of all or part of the costs of the proceedings, and upon the making of partial or complete restitution to parties harmed by the petitioner whose conduct led to the suspension or disbarment. Provided further, that if the petitioner has been suspended or disbarred for five years or more, reinstatement may be conditioned, in the discretion of the Judge or Judges before whom the matter is heard, upon the furnishing of proof of competency and learning in the law, which proof may include certification by the bar examiners of a state or other jurisdiction of the attorney's successful completion of an examination for admission to practice subsequent to the date of suspension or disbarment.

G. Successive Petitions. No petition for reinstatement under this Rule shall be filed within one year following an adverse judgment upon a petition for reinstatement filed by or on behalf of the same person.

Rule VIII

Attorneys Specially Admitted.

Whenever an attorney applies to be admitted or is admitted

to this Court for purposes of a particular proceeding (pro hac vice), the attorney shall be deemed thereby to have conferred disciplinary jurisdiction upon this Court for any alleged misconduct of that attorney arising in the course of or in the preparation for such proceeding.

Rule IX

Service of Papers and Other Notices.

Service of an order to show cause instituting a formal disciplinary proceeding shall be made by personal service or by registered or certified mail addressed to the respondent-attorney at the last known office and residence addresses of the respondent-attorney. Service of any other papers or notices required by these Rules shall be deemed to have been made if such paper or notice is addressed to the respondent-attorney at the last known office and residence addresses of the respondent-attorney; or to counsel or the respondent's attorney at the address indicated in the most recent pleading or other document filed by them in the course of any proceeding.

Rule X

Appointment of Counsel.

Whenever counsel is to be appointed pursuant to these Rules to investigate allegations of misconduct or prosecute disciplinary proceedings or in conjunction with a reinstatement petition filed by a disciplined attorney, this Court shall appoint as counsel the disciplinary agency of the Supreme Court of Ohio or other disciplinary agency having jurisdiction. If no such disciplinary agency exists or such disciplinary agency declines appointment, or such appointment is clearly inappropriate, this Court shall appoint as counsel one or more members of the Bar of this Court to investigate allegations of misconduct or to prosecute disciplinary proceedings under these rules, provided, however, that the respondent-attorney may move to disqualify an attorney so appointed who is or has been engaged as an adversary of the respondent-attorney in any matter. Counsel, once appointed, may not resign unless permission to do so is given by this Court.

Rule XIII**Duties of the Clerk.**

A. Upon being informed that an attorney admitted to practice before this Court has been convicted of any crime, the Clerk of this Court shall determine whether the clerk of the court in which such conviction occurred has forwarded a certificate of such conviction to this Court. If a certificate has not been so forwarded, the Clerk of this Court shall promptly obtain a certificate and file it with this Court.

B. Upon being informed that an attorney admitted to practice before this Court has been subjected to discipline by another court, the Clerk of this Court shall determine whether a certified or exemplified copy of the disciplinary judgment or order has been filed with this Court, and, if not, the Clerk shall promptly obtain a certified or exemplified copy of the disciplinary judgment or order and file it with this Court.

C. Whenever it appears that any person convicted of any crime or disbarred or suspended or censured or disbarred on consent by this Court is admitted to practice law in any other jurisdiction or before any other court, the Clerk of this Court shall, within ten days of that conviction, disbarment, suspension, censure, or disbarment on consent, transmit to the disciplinary authority in such other jurisdiction, or for such other court, a certificate of the conviction or a certified exemplified copy of the judgment or order of disbarment, suspension, censure, or disbarment on consent, as well as the last known office and residence addresses of the defendant or respondent.

D. The Clerk of this Court shall, likewise, promptly notify the National Discipline Data Bank operated by the American Bar Association of any order imposing public discipline upon any attorney admitted to practice before this Court.

Rule XIV**Jurisdiction.**

Nothing contained in these Rules shall be construed to

deny to this Court such powers as are necessary for the Court to maintain control over proceedings conducted before it, such as proceedings for contempt under Title 18 of the United States Code or under Rule 42 of the Federal Rules of Criminal Procedure.

Rule XV

Effective Date.

These rules shall become effective on February 1, 1979, provided that any formal disciplinary proceeding then pending before this Court shall be concluded under the procedure existing prior to the effective date of these Rules.

PROCEDURES BEFORE THE MAGISTRATES

(a) In General.

In performing duties for the Court, the Magistrates shall conform to all applicable provisions of federal statutes and

rules, to the general procedural rules of this Court, and to the requirements specified in any order of reference from a judge.

(b) **Special Provisions for the Disposition of Civil Cases by the Magistrates on Consent of the Parties — 28 U.S.C. § 633(c).**

(1) **Notice.**

The Clerk of Court shall notify the parties in all civil cases that they may consent to have a Magistrate conduct any or all proceedings in the case and order the entry of a final judgment. Such notices shall be handed or mailed to the plaintiff or his representative at the time an action is filed and to other parties as attachments to copies of the complaint and summons, when served. Additional notices may be furnished to the parties at later stages of the proceedings, and may be included with pretrial notices and instructions.

(2) **Execution of Consent.**

The Clerk shall not accept a consent form unless it has been signed by all parties in a case. The plaintiff shall be responsible for securing the execution of a consent form by the parties and for filing such form with the Clerk of Court. No consent form will be made available, nor will its contents be made known to any judge or magistrate, unless all parties have consented to the reference to a magistrate. No magistrate, judge, or other court official may attempt to persuade or induce any party to consent to the reference of any matter to a magistrate from informing the parties that they may have the option of referring a case to a magistrate.

(3) **Reference.**

After the consent form has been executed and filed, the Clerk shall transmit it to the judge to whom the case has been assigned for approval and referral of the case to a magistrate. Once the case has been assigned to a magistrate, the magistrate shall have the authority to conduct any and all proceedings to which the parties have consented and to direct the Clerk of Court to enter a final judgment in the same manner as if a judge had presided.

REVIEW AND APPEAL**(a) Appeal of Non-Dispositive Matters — 28 U.S.C. § 636(b)(1)(A).**

Any party may appeal from a Magistrate's order determining a motion or matter under subsection 1(c) of this rule, *supra*, within 10 days after issuance of the Magistrate's order unless a different time is prescribed by the Magistrate or a Judge. Such party shall file with the Clerk of Courts, and serve on the Magistrate and all parties, a written statement of appeal which shall specifically designate the order, or part thereof, appealed from and the basis for any objection thereto. A Judge of the court shall consider the appeal and shall set aside any portion of the Magistrate's order found to be clearly erroneous or contrary to law. The Judge may also reconsider *sua sponte* any matter determined by a Magistrate under this rule.

(b) Review of Case-Dispositive Motions and Prisoner Litigation — 28 U.S.C. § 636(b)(1)(B).

Any party may object to a magistrate's proposed findings, recommendations or report under subsection 1(d), (e) and (f) of this rule, *supra*, within 10 days after being served with a copy thereof. Such party shall file with the Clerk of Court, and serve on the Magistrate and all parties, written objections which shall specifically identify the portions of the proposed findings, recommendations or report to which objection is made and the basis for such objections. Any party may respond to another party's objections within 10 days after being served with a copy thereof. A Judge shall make a *de novo* determination of those portions of the report or specified proposed findings or recommendations to which objection is made and may accept, reject, or modify, in whole or in part, the findings or recommendations made by the Magistrate. The Judge, however, need conduct a new hearing only in his discretion or where required by law, and may consider the record developed before the Magistrate, making his own determination on the basis of that record. The Judge may also

receive further evidence, recall witnesses or recommit the matter to the Magistrate with instructions.

(c) Special Master Reports – 28 U.S.C. § 636(b)(2).

Any party may seek review of, or action on, a special master report filed by a Magistrate in accordance with the provisions of Rule 53(e) of the Federal Rules of Civil Procedure.

(d) Appeal from Judgments in Misdemeanor Cases – 18 U.S.C. § 3402.

A defendant may appeal a judgment of conviction by a Magistrate in a misdemeanor case by filing a notice of appeal with the Clerk of Courts within 10 days after entry of the judgment, and by serving a copy of the notice upon the United States Attorney. The scope of appeal shall be the same as on an appeal from a judgment of the District Court to the Court of Appeals.

(e) Appeal from Judgments in Civil Cases Disposed of on Consent of the Parties – 28 U.S.C. § 636(c).

(1) Appeal to the Court of Appeals.

Upon the entry of judgment in any civil case disposed of by a Magistrate on consent of the parties under authority of 28 U.S.C. § 636(c) and subsection 1(h) of this rule, *supra*, an aggrieved party shall appeal directly to the United States Court of Appeals for this circuit in the same manner as an appeal from any other judgment of this Court.

(2) Appeal to a District Judge.

A. Notice of Appeal.

In accordance with 28 U.S.C. § 633(c)(4), the parties may consent to appeal any judgment in a civil case disposed of by a Magistrate to a Judge of this Court, rather than directly to the Court of Appeals. In such case the appeal shall be taken by filing a notice of appeal with the Clerk of Court within ten days after entry of the Magistrate's judgment; but if the

United States or an officer or agency thereof is a party, the notice of appeal may be filed by any party within sixty days of entry of the judgment. For good cause shown, the magistrate or a judge may extend the time for filing the notice of appeal for an additional twenty days. Any request for such extension, however, must be made before the original time period for such appeal has expired. In the event a motion for a new trial is timely filed, the time for appeal from the judgment of the magistrate shall be extended to thirty days from the date of the ruling on the motion for a new trial, unless a different period is provided by the Federal Rules of Civil or Appellate Procedure.

B. Service of the Notice of Appeal.

The Clerk of Court shall serve notice of the filing of a notice of appeal by mailing a copy thereof to counsel of record for all parties other than the appellant, or if a party is not represented by counsel to the party at his last known address.

C. Record on Appeal.

The record on appeal to a judge shall consist of the original papers and exhibits filed with the court and the transcript of the proceedings before the magistrate, if any. Every effort shall be made by the parties, counsel, and the Court to minimize the production and costs of transcriptions of the record, and otherwise to render the appeal expeditious and inexpensive, as mandated by 28 U.S.C. § 636(c)(4).

D. Memoranda.

The appellant shall within 30 days of the filing of the notice of appeal file a typewritten memorandum with the Clerk, together with two additional copies, stating the specific facts, points of law, and authorities on which the appeal is based. The appellant shall also file a copy of the memorandum on the appellee or appellees. The appellees shall file an answering memorandum within 30 days of the filing of the appellant's memorandum. The Court may extend these time limits upon a showing of good cause made by the party requesting the ex-

tension. Such good cause may include reasonable delay in the preparation of any necessary transcript. If an appellant fails to file his memorandum within the time provided by this rule, or any extension thereof, the Court may dismiss the appeal.

E. Disposition of the Appeal by a Judge.

The judge shall consider the appeal on the record, in the same manner as if the case had been appealed from a judgment of the District Court to the Court of Appeals and may affirm, reverse, or modify the magistrate's judgment, or remand with instructions for further proceedings. The judge shall accept the magistrate's findings of fact unless they are clearly erroneous, and shall give due regard to the opportunity of the magistrate to judge the credibility of the witness.

F. Appeals from other Orders of a Magistrate.

Appeals from any other decisions and orders of a magistrate not provided for in this rule should be taken as provided by governing, statute, rule, or decisional law.

RE: RULE 11, FEDERAL RULES
OF CRIMINAL PROCEDURE:
PLEAS OF GUILTY OFFERED Order 81-5
PURSUANT TO A PLEA
AGREEMENT AND PLEAS OF
GUILTY OFFERED IN AB- (District-Wide Order)
SENCE OF A PLEA AGREE-
MENT.

ORDER

I. Pleas of Guilty Offered Pursuant to a Plea Agreement.

Rule 11, Federal Rules of Criminal Procedure, provides, in part:

(5) Time of Plea Agreement Procedure.

Except for good cause shown, notification to the court of the existence of a plea agreement shall be given at the arraignment or at such other time, prior to trial, as may be fixed by the court.

Rule 11 also places the duty upon the Court to either accept or reject any plea agreement, the performance of that duty requiring the Court, among other things, to consider carefully the terms of the agreement, to question the defendant and the United States Attorney concerning the agreement and to advise the defendant of the nature of the charge to which a plea under the agreement is offered, the mandatory minimum penalty provided by law, if any, and the maximum possible penalty provided by law.

Unless a judge has otherwise ordered, the following procedure is hereby established regarding plea agreements to be submitted to the Court for approval in cases pending in this District:

1. All plea agreements shall be reduced to writing and signed by the defendant, the attorney for the defen-

dant and the Assistant United States Attorney in charge of the prosecution of the case.

2. Upon the execution of a plea agreement, a copy thereof shall be given to the Court (a) for informational purposes regarding the status of the case, (b) to enable the Court to properly and expeditiously schedule its docket of criminal cases, and (c) to give the Court an opportunity to consider the terms and provisions of the plea agreement in order to question the defendant and the United States Attorney in open court on the question of whether such an agreement should be approved or rejected by the Court.
3. At the time the copy of the plea agreement is submitted to the Court, the United States Attorney shall also advise the Court in writing regarding:
 - (a) the elements of each offense to which a plea of guilty would be offered by the plea agreement;
 - (b) the mandatory minimum penalty provided by law, if any, and the maximum possible penalty provided by law for each offense to which a plea of guilty would be offered pursuant to the plea agreement;
 - (c) whether the attorney for the defendant concurs with the United States Attorney's listing of the elements of the offense and the penalties involved and, if there is no concurrence, the extent to which there is any disagreement.
4. If a plea agreement is executed prior to arraignment of the defendant, but the Court has not, prior to that time, received a copy of the agreement or the statement of the United States Attorney, the Court must be notified of the existence of the agreement at the arraignment, and the Court may, if it so desires, then continue the arraignment to a later date.
5. If a plea agreement is executed after arraignment of the defendant, the Court must be notified of its existence at least seven (7) days prior to the date set for trial.

II. Pleas of Guilty Offered in Absence of a Plea Agreement.

1. Whenever it comes to the attention of the United States Attorney that a defendant desires to change a plea of not guilty to a subsequent plea of guilty, and no plea agreement has been made, the United States Attorney shall promptly advise the Court in writing regarding:
 - (a) the anticipated offer of a plea of guilty and the fact that no plea agreement or understanding of any nature exists with respect to the plea of guilty;
 - (b) the elements of each offense to which a plea of guilty would be offered by the plea agreement;
 - (c) the mandatory minimum penalty provided by law, if any, and the maximum possible penalty provided by law for each offense to which a plea of guilty would be offered pursuant to the plea agreement.
 - (d) whether the attorney for the defendant concurs with the United States Attorney's listing of the elements of the offense and the penalties involved and, if there is no concurrence, the extent to which there is any disagreement.
